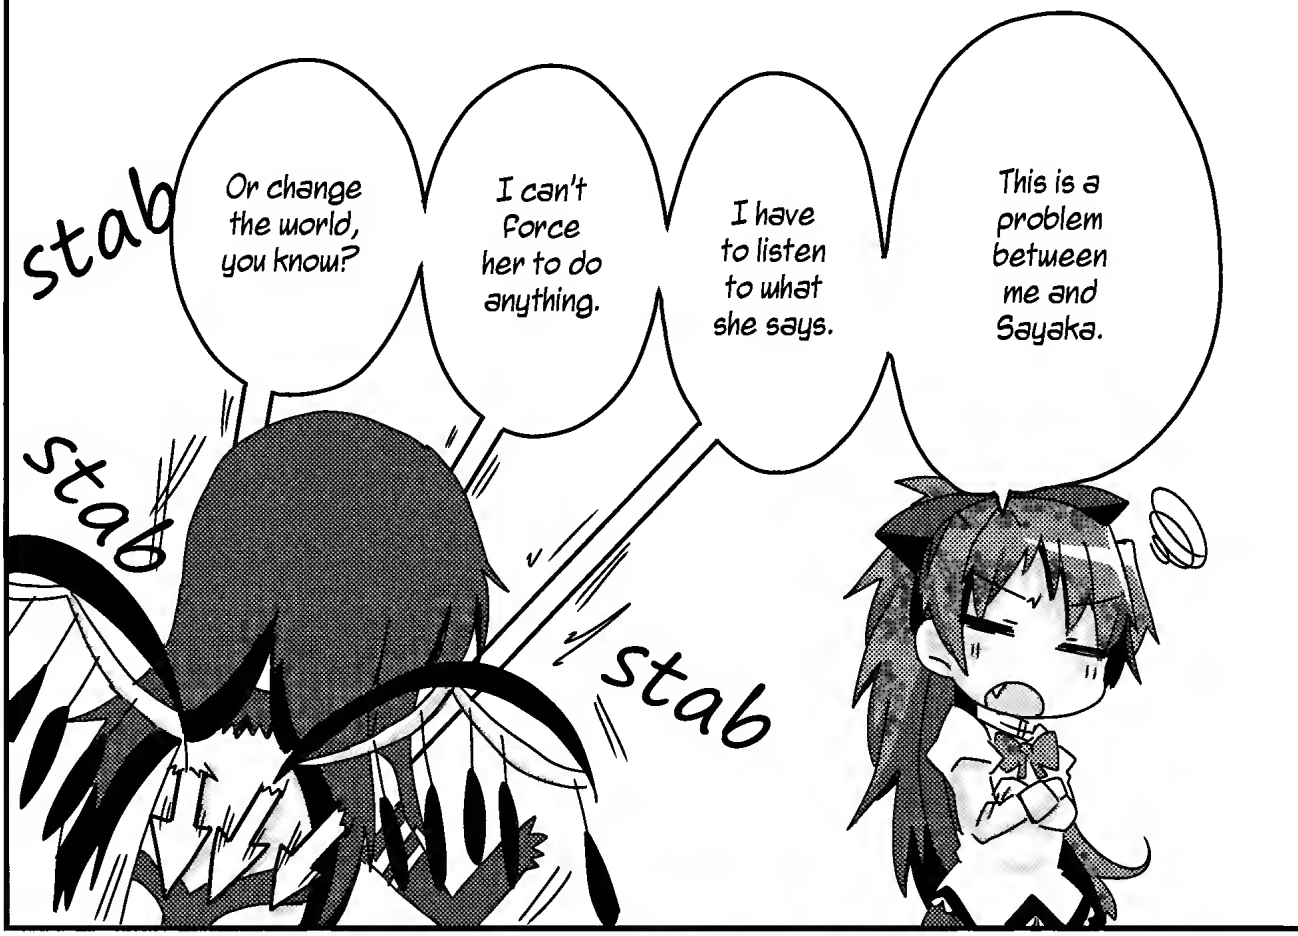
I want to
kiss Sayaka!!
…

Is that really a good idea, are you two even dating?
Huh?! W- what do you know! We might be.
Well, I am the one who remade this world...
Go! Japanese lesbian schoolgirl, whaooo!!
Yeah... Umm...? Sure...
?
This is the transfer student, right?
I might have changed it a little too much...
...

You were wise to come to me for help.
I made this world to fulfill desires.
So, what change do you want me to make?
None.



This is a problem between me and Sayaka.
I have to listen to what she says.
I can't force her to do anything.
Or change the world, you know?
stab
stab
stab

That kind of thing isn't right!

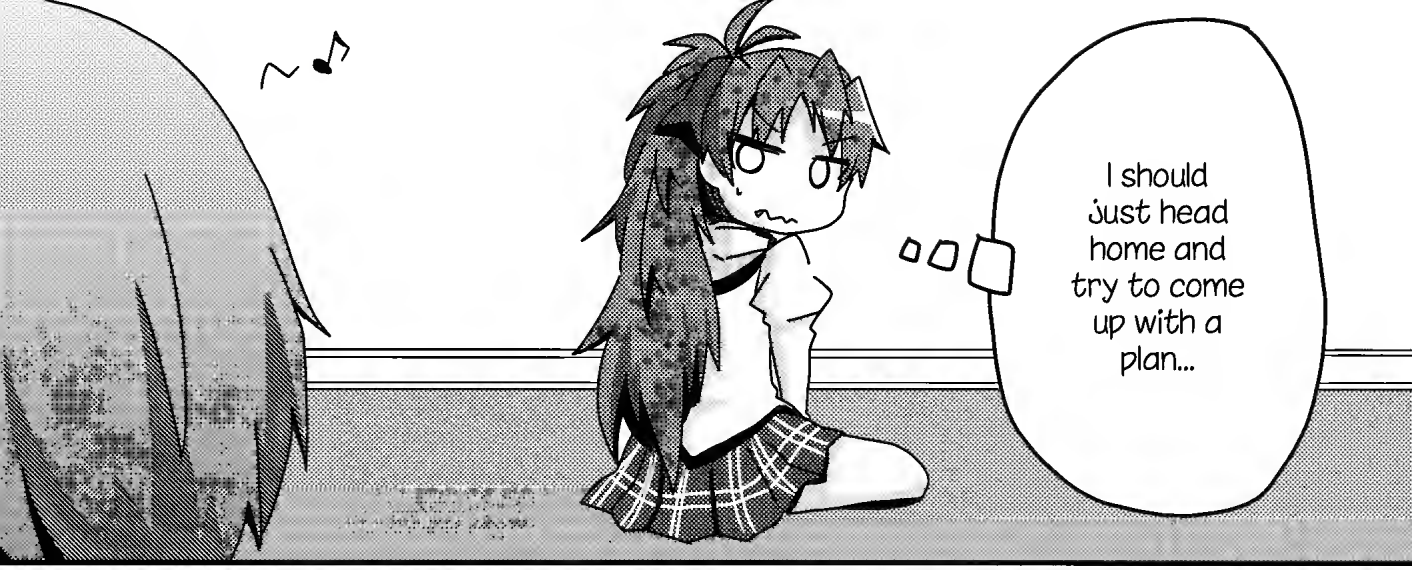
Hm? What's up?
?
Homura-cha... Do you need a doctor...?
Ah, so that's it, but I... sob...

I think you should meet her eye-to-eye
and just be open about your feelings.

Umm...

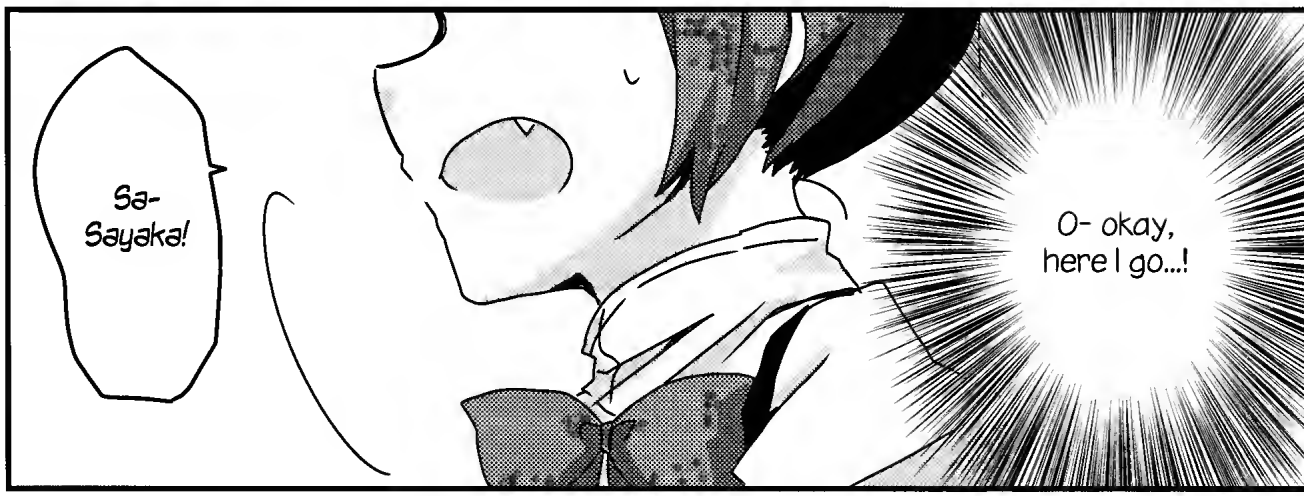
I should have just been honest with her...
Madoka...

Fight on, Japanese lesbian schoolgirl, whaooo!!
Uh... Yeah...



I should just head home and try to come up with a plan...

But how do I get the conversation to go that way... I just need to straightforward, but how! Umm... Umm...
But what do I say, should I just casually ask if she wants to kiss...?

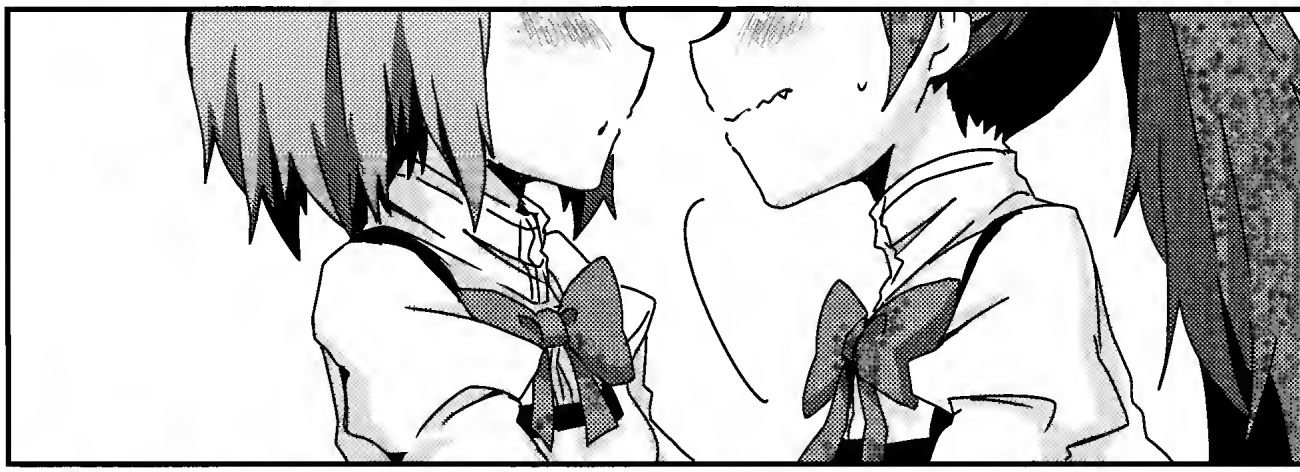


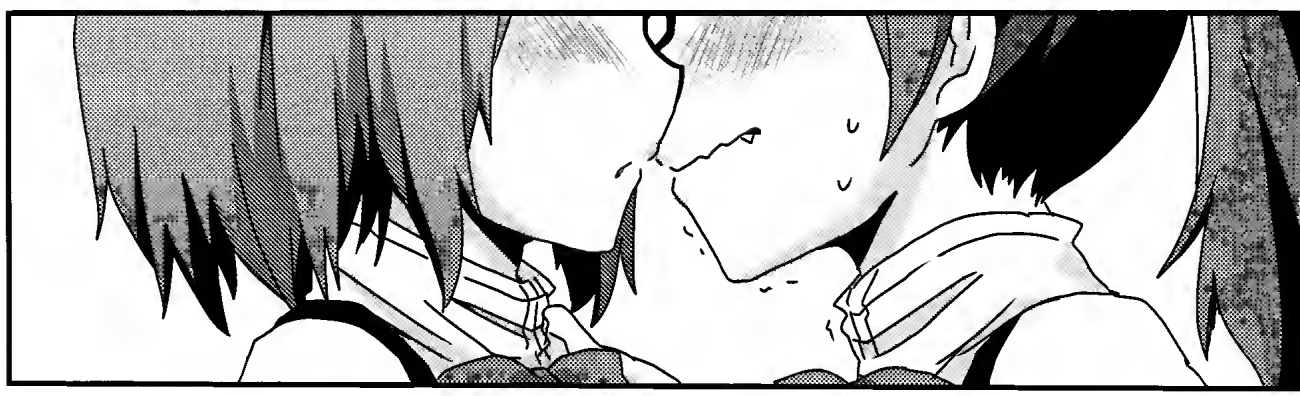
Sa-Sayaka!
O- okay, here I go...!

Hm?
Ah, um, me and, um, you...
C- could we, um, d-date...? That is... I mean...
Uh, ah, so yeah, what do you think?
Don't keep asking... it's super embar-rassing...
Wait, uh... what I mean is, ummm...
I want to do it!!

Eh... hold on... just a sec...
You mean you want to... um...
Wha?!
Eh...
Kiss!
kiss
A

Uh huh...
Ah, aaaah...
A kiss, right,
kissing!!
I wasn't
thinking
of that...
Ah
ha
ha
ha
So, um...
can I...?
Are we
good?
Sayaka...
brush
Yeah,
we're
good.





kiss

Sayaka and I just kissed...!
Whaooo
UWhaoooo
Kyouko.
Eh?
Now it's my turn...

So how about we go a little further?
!?

あとがき

ウチの杏さやがやっとキスした

どうもこんにちは　しっきーこと名倉紫紀です。
「百合が描きたい百合が描きたい」と
言い続けた結果やっと百合描きました。
前半はしょうもないギャグパートですいませんでした！！！

今までうちの本で１回もキスしてない
杏さやにキスさせようと思いまして
よく考えると合同やらゲストやらでも
キスしてないような･･･？
イラストだとしょっちゅうしてるのに
漫画になった途端しなくなるんですよこの子ら･･･
そしてちゃんとキスした途端終了です

というわけで読んでくれてありがとうございました！
次こそシリアス百合を･･･描きたい･･･
